

BEATRICE

weber SPEAKER • AUTHOR • COACH

Beatrice Weber inspires women to live fearlessly through her keynotes for both virtual and in-person audiences.

Beatrice's memoir (soon to be available for pre-order) explores her transition from living an oppressed life in an Ultra-Orthodox community into an outspoken Warrior Woman. Fueled through her personal narrative, Beatrice's three step Fearless & Fulfilled Framework teaches others how to find and boldly use their own voice so they too can lead purpose-driven lives.

Beatrice is a proud Board Member of [Right to Parent](#) and a Parent Advocate with [YAFFED](#).
